## What we offer

Our brand new facilities offer a comfortable, relaxing, and familiar environment where people with disabilities can participate in skill-building activities and social outings during the day, while enjoying some much-needed rest and recuperation outside of the regular home environment in the evenings.

With several rooms to choose from, and a level of care adjusted to meet the individual requirements of the client, we are prepared to take year-round bookings.

In 2021 we introduced our highly anticipated short and medium stay accommodation services, located at Eurella's Burwood campus.

Whether you want a weekend away or a few weeks stay, enquire today about accommodation options with Eurella.
